DOWNWARD COURSE

Fast Being Realized by Cookeville People

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders quickly follow; Diabetes and finally Bright's disease. This is the downward course of kidney ills.

Don't take this course, follow the advice of a citizen.

D. H. Witt of Cookeville, Tenn., says: "My back pained me intensely, especially when I stooped or lifted and when I got up in the morning I was extremely lame. I tired easily, felt languid and nervous and had frequent headaches. My sight often blurred and I noticed a sediment in the kidney secretions. At night I had to get up to pass the kidney secretions and thus my rest was broken. Hearing about Doan's Kidney Pills, I began their use and the contents of one box completely and permanently cured me. I strongly endorse this remedy to anyone who is afflicted with Kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
